“If **you** want to change the world you’ve got to start somewhere.”

“That somewhere is **Sheerport.**”

From **Visit Sheerport** and **Bellyfeel** (winner of two Webby Awards for **Crimeface**) comes another compelling, interactive film...

The **Alexander Wilson Project** is an interactive thriller aimed at **16–35-year-olds**. It blends **must-see film episodes**, **addictive online games** and **mind blowing music** into a unique new entertainment experience.

Join **Alex Wilson**, **Becky Conrad** and **The Announcer** to help unravel the dark conspiracy that threatens their lives and the very existence of their hometown, **Sheerport**.

Change the fate of Sheerport by battling against corruption and greed and **you can change the world**.

Join the Sheerport Community and get closer to the truth at **www.thealexanderwilsonproject.com**
